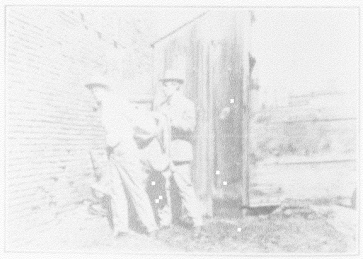
The Pursuit of a Suit.

LENGTH, 365 FEET.

Mr. Cohen puts a brand new $8.00 suit on a figure outside of his store, at the reduced price of $7.98.

Two tough characters needing new suits, decide to play a trick on Mr. Cohen. One of them stands in the place of the dummy while the other carries the dummy away. His accomplice follows shortly after with a hat which he stole from a farmer. The farmer seeing the dummy run away calls out Mr. and Mrs. Cohen.



And now starts one of the liveliest and funniest chases ever seen in a Moving Picture Photograph.

When at last the two criminals are caught, they are stripped of their clothes and empty paper boxes are substituted, and they are then marched to jail.

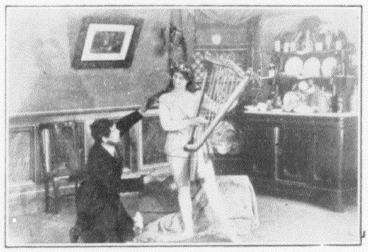
After the Celebration!

LENGTH, 165 FEET.



Mike celebrated St. Patrick's Day. He had a bully old time and enjoyed himself immensely.

He comes home after the celebration and there sees things. He sees a beer barrel change into his mother-in-law, though he would prefer the opposite.

The mother-in-law is replaced by a shamrock, the shamrock by a pitcher, the pitcher by two of his friends, these turn into a snake, the snake into a block of ice which Mike needs most of all.

But he had a good time, just the same.
